

A black and white photograph of a classical statue of Saint Sebastian. He is a young man with a crown of thorns, standing with his arms tied behind his back and his legs bound together. Arrows are visible protruding from his body. He is leaning against a column. The statue is set against a dark, textured background.

A black and white photograph of a classical statue of Saint Sebastian. He is a young man with curly hair, standing in a three-quarter pose, leaning forward slightly. He is shirtless, and a cloth is wrapped around his waist. Several arrows are embedded in his body, particularly in his arms and legs. He holds a long spear or staff in his left hand. The statue is set against a dark, solid background.
